

CHUF Cearsley Newsletter May Half Term 2026

It's been a busy and exciting half term at CHUF Cearsley. We were pleased to welcome the OFSTED Inspector a couple of weeks ago and will share the report with you as soon as we get it. Thank you all for your support and the kind words you shared about us.

We were so happy to be able to show off our fantastic setting. This half term we have been looking at the Very Hungry Caterpillar and Frogs, we have enjoyed watching our frogspawn grow into frogs, and our caterpillars grow into butterflies and be released this last week. We had visit from the chicks to see how much they have grown over the Easter break, along with all our usual arts and crafts, songs, water and messy play, roll play and fun.

Other highlights this term include the visit from ZooLab with their snakes, snails and other creatures, and our exciting new Allotment. Currently the afternoon children have been enjoying visits and planting seeds, but we hope more children can visit and enjoy once the weather improves. Thank you to the village for allowing us such a fantastic opportunity.

Next half term our topic is travel and transport. We will be continuing with our Rugby Tots sessions, and our school leaders will be having a 6-week getting ready for school programme with Debutots. We will be supporting children with their transitions to school with activities and stories, and by inviting the teachers in from the local schools.

We hope you have a fantastic half term, CHUF reopens on Monday 1st June and we break up for the Summer on Thursday 16th July.

Thank you

Thank you so much for the generous sponsorship money from the Bunny Hop, the Ladies are looking at what we can spend this on.

Warm Weather

With the change in weather can we please request that you take time to refresh the spare clothing in your child's bag, and that you ensure they have a sunhat. Long lasting suncream should be applied before they arrive in the setting. Please can all water bottles and hats be labelled and placed in child's trays so the children know where to locate them.
